| <p><b>Standort Transport:</b></p> <ul style="list-style-type: none"><li>- Höhe Pischnanga, Areal Centorame</li></ul> <p><b>Massnahme:</b></p> <ul style="list-style-type: none"><li>- Tunnel Crap Ses Südportal (Richtung Thusis) sperren (vorausfahrender ATB vor Ort und ELZ Signal Rot)</li></ul> | <p data-bbox="879 674 1347 725">Abzweigung Areal Centorame</p>  A photograph showing a paved road that curves to the right. The road is flanked by green grass and dense evergreen trees. In the background, there are mountains under a cloudy sky. A white dashed line and a white arrow on the road surface point towards the junction.  |
| <p><b>Standort Transport:</b></p> <ul style="list-style-type: none"><li>- Höhe Südportal Tunnel Crap Ses</li></ul> <p><b>Massnahmen:</b></p> <ul style="list-style-type: none"><li>- Tunnel Crap Ses freigeben</li></ul>   | <p data-bbox="900 1115 1259 1167">Südportal Tunnel Crap Ses</p>  A photograph taken from the perspective of someone driving through a tunnel. The tunnel has a smooth, light-colored interior with a curved ceiling. The road surface is dark and wet, with a white dashed line and a white arrow pointing forward. The tunnel ends in a bright opening where trees and a clear sky are visible. |
